### **CONDITIONS FOR PARTICIPATION:**

#### **Baltic Dressage League**

According to Baltic Dressage League General Rules 2019, NF Rules of Estonian NF and FEI Dressage Rules.

Baltic Dressage League General Rules 2019: <http://balticriders.com/bdl/rules/>

Participation is open for all athletes of EST, LAT, LTU, RUS, FIN, POL, BLR, etc. nationality. Participants registered with other NFs are accepted, but they won't be able to collect points towards the final Baltic League ranking, except foreign nationals who are residents of EST, LAT, LTU and RUS. Riders from another country of the region (Poland, BLR etc.) can collect points, if said country will organize a Baltic Dressage League Series competition in their country during 2019 season.

If the age bracket permits, one rider/horse combination can compete at two adjacent levels, for example a Pony Rider can also participate in the Children division.

Rider/horse combinations having participated at international competitions (CDI) at a higher level than at BDL, cannot compete at BDL level. For example, if a Junior pair has competed at a CDI at Young Rider (PSG) level, they cannot compete at BDL Junior Level (M) and have to enter the BDL competition at YR (PSG) level.

Children under 12 can compete in Children's class with a written letter of permission from their parent.

One horse can start up to two times per day, under the following conditions:

1. Once in Young Riders/PSG/Inter 1/GP level classes;
2. Once in Young Riders, PSG/Inter 1/ level classes AND once in Juniors, Open M, Childrens, Amateurs 22+, Pony riders or lower level classes;
3. Twice in the Juniors, Open M, Childrens, Amateurs 22+, Pony riders or lower level classes.

### **Estonian Championship for Young Horses and Ponies, 2019**

**Young Horse Championship format:** Every age group will ride 2 tests (Day1 + Day2) :

The result percentages for the 2 tests will be converted into 1:1 and added up.

In case of similar result for 1.-3. place the advantage will be the best perspective score for Day1+ Day2.

**Young Pony Championship format:** Every age group will ride 1 test. Before the test the rider is asked to show the paces of the pony in the arena by the judges commands. The score will be given taking into account both the paces demonstration and the test.

In case of similar result for 1.-3. place the advantage will be the best perspective score.

Please note that participating in the Estonian Young Horse and Young Pony championships the horse/rider combinations from other NFs can receive ribbons and prize money, but the title of Best Estonian Young Horse/Pony in all age categories can be won only by horses registered with Estonian NF and residing in Estonia.
